We offer a main course buffet set up service, where we heat/cook the dishes for you and put them out in nice bowls (we can supply these if needed), with crockery and cutlery (provided by you), for you to serve yourselves. This is charged at £2.50 per person.

A minimum of 20 meals or £140 need to be ordered for free delivery within a 10 mile radius of Launceston, otherwise a charge of £15. For areas outside of a 10 mile radius we will supply individual quotes. Dishes can be made dairy-free and gluten-free upon request.
